INDEX TO VOL. XLIV.

A.

Automatic Street Main Governors, by Wm. Enfield 30
Applications for Membership in New England Association .. 123
Address of President Greenough, New England Association 123
Address of President Hickenlooper, Ohio Association 192
Applications for Membership, Ohio Association 191
Address of President Somerville, Western Association 315
Air in Gas Mains, an Experience with, by Eugene Printz ... 318
Arnold Mellert, Death of 326

B.

*Breckenridge Cannel 346

C.

Coal, Sorting by Air Blast 40
Committee of Arrangements, American Association 36
Cannel or Naphtha, which is the Cheaper Enricher? 68
Coal, the Best and Most Expeditious Mode of Weighing, when Discharged Direct from Vessels into Store 69
Coal, Average Loss in Weight of, as the Result of Storage for a Year, etc 69
Committee on Exhibition of Gas Appliances, Limiting Amount to be Expended by, American Association 70
Committee on Memorials, American Association, Report of. 71
Correspondence, Reading of, New England Association 125
"Chartered Poison Sellers" 127
Cooling Gas, by C. F. Prichard 161
Construction and Cost of a Gasholder Tank, by W. A. Stedman 187
Caking of Lime, why does it sometimes Occur before the Gas Shows Traces of Sulphur? 221
Committee, Appointment of Special, Ohio Association 222
Condenser, Proposing to Substitute Eighty feet of Pipe for a, etc 252
Coals for Gas Making, the Comparative Values of, by E. McMillin 253
Coke and Tar for Heating Retorts, Relative Merits of, by Jos. Light 255
Carbon Deposits in Retorts, Cause and Prevention of, by Jno. Fullagar 288
Committees, Appointment of, Western Association 317
Councilmanic Advocate of Kerosene Oil, a 326
Committee on President's Address, Report of, Ohio Association 354
Coal Gas Tar, the Products of—A New Discovery 355
Cement Formula Worthy of a Nook in a Note-Book 358
Correspondence, Special English 10, 73, 128, 194, 258, 321

CORRESPONDENCE—
Citizens Gas Light Company, of Poughkeepsie, N. Y., vs. the Local Board of Health 40
Electric Lighting Puzzles at Columbus, Ind 165
Explosion at the Kansas City Gas Works, the 103
Flood and Fire at the Selma, Ala., Gas Works 261
Gas Engines as Exhauster Motors 293
